A statement showing the number of Nehmidars supported from the funds of each of the chattrams and rest houses in the State as also the amount of the grant given to them may be obtained and put up for my perusal.

The chattrams being intended solely for the accommodation and convenience of travellers, I do not think it desirable that the grants sanctioned therefor should be utilised for supporting the poor people of the locality. At any rate, the question requires to be examined.

In the order regarding the abolition of Annachattrams (Vide para 19 of the order) the Murrai Court has been asked to institute enquiries into all the cases of Nehimi with a view to discontinue them as early as possible. It is therefore perhaps unnecessary to require that lists of Nehimis shd be sent by Govt as was directed in this file (nearly a year before the recent order). If approved the Mercy Collr may be asked to take early action in pursuance of para 19 of the
